

# LADIES {&} GENTLEMEN

*it is our great pleasure to announce that Maple have finally, and this is with no jest, completed our album. So, in celebration of this momentous occasion, invite you to the album launch night in Dr. Drakes, on the night of November the 5th. Entry to this Stupendous event is a princely sum of £2 Pounds sterling. For this fee, you will also be able to witness the marvellous "Eric Euan" and the stupendous "Vandelay's". The evening commences on the strike of 8.30pm. I thank you, and I do trust that you bring sufficient funds to buy the offending article, at a mere £8. The Following message is for those of us visually impaired and concentratoraly\* impaired, and I fear, have no time, or inclination to read this small amount of interesting text. Till the 5th, Maple.*

\* this word is made up, only those concentrating will know that.
